**HLPUSD Delhaven ASES Programs**  
**Distance Learning and Alternative Programming**

During these difficult and uncertain times, we at Delhaven understand that a lot of parents and students are looking for free educational resources for distance learning. Delhaven Community Center and our HLPUSD ASES staff are excited to add to the resources already available with our own selection of worksheets and videos.

These educational worksheets and videos are a fantastic way to keep our students learning and engaged because they use minimal supplies and supplies commonly found at home. The activities in our videos are geared for students and are self-directed so they can be done with minimal support from parents. Student worksheets are labeled by grade and subject-focus. They will primarily be in the areas of Math, Science and Language Arts. Links to download worksheets and videos are provided through our online platforms.

We will be adding new activity videos daily M-F and grade level worksheets every Monday. To stay connected and receive links to our worksheets and Video activities, we can be found online through multiple portals.

**Facebook** - Simply type Friends of Delhaven in the search bar

**Instagram**- Search Delhaven Community Center

**Youtube Channel** —Search Delhaven Community Center and look for the videos titled "Welcome to Delhaven" select the video then subscribe to the channel (Hint-Look for the Delhaven Logo on the Channel)

***Our Content we will be posted throughout these various platforms.***

### **ASES Staff Remain Ready**

Delhaven Community Center and our ASES staff are committed to providing services to our families in any capacity. We value our partnership with HLPUSD and have offered to make ourselves available for meal distribution or other areas where we may be needed.

### **Community Partnerships**

As a part of our Video series Deihaven has enlisted the assistance of many of our community partners to join us in providing content for our students. We will be posting a special guest reader weekly on our online platforms. Partnered agencies include City of La Puente, City of Industry, California Highway Patrol, Industry Sheriffs, Registered nurses and more.

### **Personal Connection-Phone Calls-Text Messages-E-mails**

In an effort to stay connected with our families and to keep them up to date with our new distance learning services ASES staff is busy setting up a schedule of communication to reach our families in a method most convenient for them. During these times we understand that students and families can feel disconnected and we find it imperative that we let our families know they are not alone. We are here to assist in any way we possibly can.

### **Bi Monthly Newsletter**

As part of the alternative ways to provide services, The ASES staff will be creating a bi monthly newsletter that will be mailed home and posted online for all participants. The Newsletter will include health and safety tips, Updated information on resources and collaborations as well as puzzles, games, word searches and pictures of staff with messages to our families.

### **Care Packages**

As part of our continuing effort to provide the best possible services to our families, Delhaven Community Center will be providing care packages to those in need during this time of crisis. Packages have already included food, toilet paper, anti-bacterial soap, gloves, diapers, wipes, face masks, hand sanitizer, distilled water and more. Though we cannot guarantee the availability of these hard to find items Deihaven is committed to doing our best at providing for the needs of our families.

### **School Day Collaborations**

We will be working hard to collaborate and assist the regular school day in their implementation of distance learning. We have already secured a spot on the California Elementary live streams as a special guest. Our ASES director will be on to say "Hello" to all the students and let them know what ASES can offer them as well. We look forward to developing the same partnerships at other sites also.
