Delhaven Community Center's Bulletin without all the "Bull"

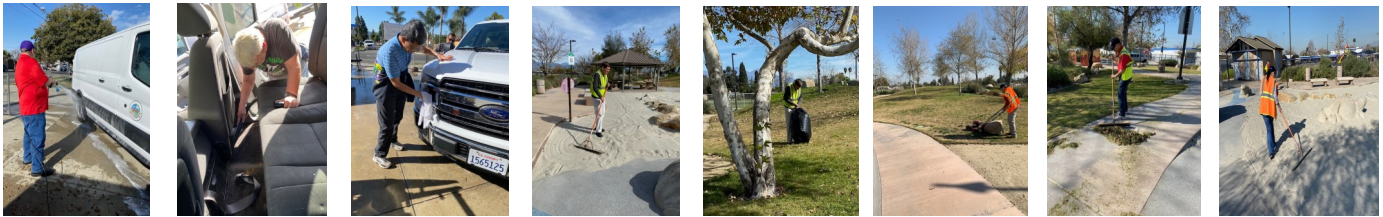

FEB-2020

Welcome to 2020....This year is looking already to be huge for Delhaven!

We have already began a new working partnership with the City of La Puente which has enabled our Day Care participants to expand their Car Detailing business to include the City vehicles, and expand their Yard Crew service to now include the La Puente Nature Park. Our Regional Center grant that we received is only about a month away from now from officially starting which is a new program designed to have our day care participants in a new community based program. We are working with the HLPUSD to create programming that will more than double in size our current After School Educational/Recreational services for children. We will be holding our 1st Annual Delhaven Corn Hole Tournament this summer which we hope to develop into an annual event/fundraiser. A new program called Because We Care that is designed to assist those struggling with or have family or loved ones struggling with emotional issues such as depression, anxieties, and borderline disorder, which we have been working on for the past year will officially kick off this April. Finally, we will be starting two other new programs, one designed for young adults, and another which is a monthly Pay it Forward program! Delhaven has always throughout our history been in the forefront of programming in our local community, and this new year will continue that tradition of "Building Better Tomorrows"!

Our Day Care Participants Hard at Work

Because We Care

For the past year we have been meeting meticulously with a special committee staff, Board members and community leaders, to develop a very special program called Because We Care. This unique program is designed to provide financial, emotional, social, and professional support to those that are struggling with or have loved ones struggling with depression, anxiety disorder, panic disorder, and borderline personality disorder. We will be officially kicking off the program on April 9th with an informative dinner for our local community leaders, supporters, and families, and then on Saturday, September 19th will be holding an "Out of Darkness Walk" at Delhaven which is a National Suicide Awareness event. For more intimate information on this program please contact Tim Seal at tim.seal@delhavencc.org

1st Annual Cornhole Tournament: Delhaven will be holding our 1st annual Corn Hole Tournament on Saturday, June 13th from 8:00 am to 2:00 pm. The event will have three divisions including service clubs, family, and open (more competitive). There will be entertainment throughout the day, food booths, prize money for the winners, and more! Cost is \$25.00 per person, or \$20.00 per person per 3 person team. For more information or to register contact Tim Seal at tim.seal@delhavencc.org. More info to follow!

FUNSEEKERS TRAVEL CLUB for our special needs participants will be once again headed out on another adventure as they head up to the Beautiful Discovery Bay up in Northern California. They will be staying at a beautiful home along the river, visiting San Francisco and Pier 39 and Fisherman's Wharf, visit the Capitol in Sacramento, fishing, listen to music, play pool, enjoy great friendships and more!

Sunday, April 26th to Friday, May 1st. Cost is \$400.00 per person which covers everything but your personal spending money. Don't miss out on this exciting trip!

When someone helps
you and they're
struggling too, that's
not help,
that's love.
